Subject: Request to Correct Credit Report Information

Dear Sir/Madam,

I am writing in response to your recent correspondence regarding my request to update the reporting status of the debt associated with my account. I appreciate your prompt attention to my concern, but I must assert that the current reporting status of "charged off" is still inaccurate and must be corrected.

As I previously indicated, the debt in question has been legally dismissed with prejudice 45th District Court located at 13600 Oak Park Blvd, Oak Park MI, as confirmed by the court's dismissal order, which I have provided as supporting documentation. The dismissal with prejudice invalidates any claims associated with the debt and mandates an accurate reporting of its dismissal status.

It is crucial for accurate and fair reporting that the credit reporting information reflects the true legal status of the debt. Labeling it as "charged off" misrepresents the outcome of the court proceedings and can lead to confusion and potential negative consequences for my creditworthiness.

I kindly request that you review the documentation provided once again and make the necessary corrections to accurately reflect the dismissal with prejudice on my credit report. It is imperative that the reporting of this debt aligns with the legal ruling and provides an accurate representation of my credit history.

I trust that Chase Card Services will rectify this matter promptly and ensure that my credit report reflects the true status of the debt. Failure to address this issue appropriately may leave me with no choice but to pursue further action to protect my rights under the Fair Credit Reporting Act.

Thank you for your immediate attention to this matter. I look forward to receiving confirmation of the corrected reporting status in due course.

Sincerely,

Katrina Bergunder
